

PRODUCT DISPLAY & PRIZE DRAW

Each fly-in attendee must sign in at the Expo pilot registration. We have created a premier display area at this location for all prize draw contributors. Each prize will be on display in this area and each contributor will be featured on banners located throughout the Expo. Each contributor will also be featured on our web site. You may also leave brochures with the products on display and an individual sign outlining the product and your booth number will also be on display. This is a great way to get your products in front of qualified customers and increase your exposure at the expo. If you would like to participate please call our office or simply return the Prize Form to be included.
